# MSYC Summer Enrichment Program Theme Reveal!

This week, we are excited to reveal the theme for MSYC's **2025 Summer Enrichment Program—Underwater Adventures!** Throughout the summer, children will dive into learning about the world's oceans, lakes, rivers, and ponds, discovering the animals that call these waters home while extending their learning into the outdoor classroom. It promises to be a summer of discovery and fun.

In addition to this exciting theme, we are making a big change to the program this year. Instead of the traditional six-week session, MSYC's **Summer Enrichment Program will be a nine-week program running from June 2nd to August 1st!**

Families should also note that while we anticipate full-day enrollment will likely be available for **Toddler Program students**, the **Preschool Summer Enrichment Program will likely continue to offer only half-day enrollment.** We encourage families to plan accordingly.

We look forward to a summer full of exploration and hands-on learning. More details on enrollment will be shared soon!

## *"Future Me" - MSYC's 2025 "Chair-ity Event"!*

As we prepare for **MSYC's adult-only fundraiser on Saturday, May 17th**, our event committees are continuing to build their teams, and we would love your help! This special event supports our **need-based scholarship program** and the continued development of our **outdoor classroom**, making a meaningful impact on our students and families.

Last year's **"Chair-ity Event"** raised an incredible **\$32,000**, and we are excited to bring back the **auction of child-sized chairs** painted by talented local artists, along with an **online silent auction** and other exciting surprises.

We are still looking for **parents and community members** to assist with:

- **Securing donations** for the silent auction and sponsorships
- **Helping with decorations**
- **Coordinating food and refreshments** for the event
- **Volunteering on the night of the event**
- **Connecting us with 1-2 more local artists** to paint child-sized chairs for the auction

Today, we're excited to share a **sneak peek** of some of the beautifully painted chairs that will be featured in this year's **"Chair-ity Event"**! These chairs are being painted by **Jan Beal**, a former MSYC parent and a current MSYC grandparent! We can't wait to reveal even more incredible designs from our talented local artists in the coming weeks!
