

SPRING EGG HUNT

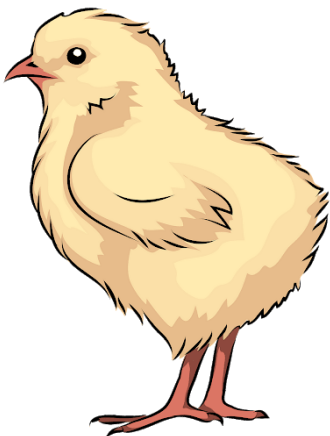

A special tradition at MSYC is our Annual Spring Egg Hunt. This year's hunts will take place in the school's large outdoor classroom on **Wednesday, April 16th**.

We ask that all families bring a minimum of 12 filled eggs to MSYC no later than Monday, April 14th. Families are welcome to contribute more than the requested minimum amount! Suggested items to put in the eggs are: stickers, erasers, candy (individually wrapped), etc. **We ask that candy be nut-free!**

MSYC will provide bags for students to use for collecting eggs. Please do not send baskets to school.

Each student will have the opportunity to participate in one egg hunt depending on what their schedule normally is. Preschool Program students who do not normally attend school on Wednesdays are welcome to be dropped off at MSYC for the time of their egg hunt based on their enrollment as a morning-only, afternoon-only, or full-day student. Toddler Program students who do not normally attend school on Wednesdays are welcome to be dropped off for the 9:00-9:45 am Toddler Program egg hunt.
