17th - First day of the 2026-2027 school year!

Summer Enrichment Program Reminders!

Week 9 (July 27th-31st) is our FINAL WEEK of our Summer Enrichment Program and the final week of attendance for some of our students. What a bittersweet time for us! Week 9 is a week in which our Preschool Program will only offer **morning-only enrollment**. Full-day enrollment will not be available, and all Preschool Program students will be dismissed between **11:45am-12pm**.

During Week 9, we will have only one Preschool class in **Miss Sarah's classroom at the East Campus**. There will *not* be a Preschool Program class at our West Campus.

If your child is enrolled in our Preschool Program for Week 9, please use the East Campus parking lot car line for both morning drop-off and dismissal.

Happy birthday to Miss McKaylyn - July 24th!

Attention 2026-2027 School Year Families!

This is a friendly reminder to complete your child's required student file forms for the 2026-2027 school year. An email with your required forms and instructions was sent to all returning families last week. Some forms are attached and should be completed and returned to MSYC, while others are online forms that should be submitted electronically. Please refer to the email for the forms that apply to your child's enrollment status. All required forms are due **Monday, August 10th**.

If there is another parent, guardian, or other adult who should be receiving school communications for your child but did not receive last week's email, please contact the office so we can update our records and ensure they are included in our 2026-2027 email distribution list.
